TRIP INSURANCE

We understand that your vacation can take a year to save for, but only a second to ruin. While you can't do anything to prevent an unexpected illness or storm from closing the airport, you can help cover your investment by buying travel insurance. Travel insurance can provide you with the best coverage for medical expenses, trip cancellation/interruption, baggage damage, medical evacuation, and much more. (Typically, less than \$50 per person for full coverage for a trip like this one)

We recommend contacting Gerry Gelfand of Travel by Gerry for the best options and price for travel insurance.

Phone - 858-344-7048 or 866-202-8224 Email - Gerry@travelbygerry.com

I understand that if I need to cancel for any reason that my only recourse for a refund will be through travel insurance that I have personally purchased.
